Determining Importance

Good readers often think about the main ideas of the story and what the author is really trying to tell us. Many times a lot can be going on in the story, but there are only a few important events that we need to remember.

Can you answer at least two of these questions? If you can't you may need to reread to find the answers.

The text was mostly about	
The author is trying to tell us that...	
I learned...	
The important details were...
