Chapter: _____

Questioning

Good readers ask themselves questions about important ideas as they read a story.

Who? What? Why? When? Where?

If you can't answer your questions: Reread and look for answers in the text, think about what you already know, and think about what you have read so far.

After every 1-2 pages, **STOP – THINK – ASK A QUESTION!**

Page #	Question	Can I answer my question?
